Subject: CFAC Comments on the EPA's Draft AOC to perform and RI/FS at CFAC

Dear Mark,

Attached please find, in track changes, comments from CFAC on a Word version of the Draft AOC that attached to the EOA Demand Letter dated June 9 that you sent to Steve Wright. The comments are subject to further review by CFAC and CFAC retains all rights to change these comments or make additional comments going forward, especially but not limited to the subject of Financial Assurance. We look forward to discussing these comments with you in Columbia Falls on August 5. Please confirm that we are still scheduled to meet there on that date.

Of course, please feel free to contact me if you have any questions about the comments prior to August 5.

It probably makes sense to have a pre-call to discuss the agenda for the August 5 meeting. I am generally available the week of July 20. Please let me know what works best for your team and I will check availability on our side.

Best regards,

Andrew
